9. Ask your teacher about his/her summer holidays.

10. Expand¹ on the text “George Clooney’s Holidays”.

George Clooney’s Holidays

George Clooney is an American film star. He lives in Hollywood. He often goes to Italy for his holidays. He went to Italy last summer. George Clooney enjoyed the weather and the country.

One day he was riding his motorbike in the country. The motorbike stopped. George wanted to start it but couldn’t. A farmer took George to his house and helped him with his motorbike.

In the evening the farmer’s daughter came home from school. She was happy to see the famous man in her house. “But it’s George Clooney, the film star!” she said to her father.

“Clooney?” said the farmer, “I don’t know him. I don’t watch television.”

- M** 11. Read the text. Was your first day at school after the summer holidays like Al’s? What was the same and what was different?

Al’s Back at School

It was September again — time to go to school. Al got up early. He loved his long summer holidays but he wanted to go to school. Al’s classes began at 9 o’clock a.m. on the first day. He had a shower, dressed quickly and went to the kitchen to have breakfast. Al left his house late and he ran to the school. When he was in the school, he saw his friends. They were going to get into the classroom. Al was glad to see them all. Then their teacher came in. He spoke about their new classes, their plans. Then the teacher wanted to listen to his pupils. They spoke about their summer holidays, their trips to some places. Al spoke about his trip to Spain, his first trip abroad. The teacher thanked Al. The class liked Al’s holidays.

¹ to expand [ɪk'spænd] — добавить детали, расширить рассказ

The first day at school was like a big party for Al. He was glad to see his friends and teachers again. He enjoyed all his classes that day. He liked the first day at school very much.
