A GREAT FRIEND

Micky and Polly are best friends. They spend a lot of time together. On Wednesday Micky does not come to school. Polly worries about him. Maybe he has a problem. She decides to visit Micky on the way home.

Micky has a cold. He feels bad and he is very sad. Polly wants to help her friend. She goes to the shop and buys a lot of fruit. She knows that fruit can help Micky to recover faster. She also buys a book with funny stories.

Every day Polly visits her friend. She reads him stories. They laugh and eat fruit together. On Friday a doctor comes and says that Micky is healthy again. The doctor is very surprised that Micky recovers so fast. But Micky knows the reason. He has a great friend who helps him so much.
