ПРЕДИСЛОВИЕ

Данное пособие предназначено для учащихся 11 классов учреждений общего среднего образования. Его цель — помочь в совершенствовании навыков употребления грамматического материала.

Представленный материал может служить дополнением к учебному пособию для 11 класса и использоваться для самостоятельной работы дома.

Каждый урок содержит тренировочные упражнения с указанием образца их выполнения, что позволит учащимся закрепить полученные знания. В конце пособия даны ключи.

Приступая к выполнению упражнения, учащимся следует внимательно прочитать задание и пример его выполнения. Желательно не только выполнить упражнение письменно, но и проговорить его вслух.

Успехов в изучении английского языка!

UNIT 1. FAMILY

Lesson 1

Word Formation

1. Прочитай.

ties (*связи*) — Are family ties important for you? Nothing strengthens family ties and creates an atmosphere of love better than family traditions. Family ties are very strong in my countries. Family relations are more valuable than friendship ties.

extended family (*дальние родственники*) — An extended family is a large family group which includes grandparents, parents, brothers, sisters, aunts, uncles, cousins. How often do you meet with your extended family?

immediate family (*ближайшие родственники*) — What does your immediate family mean to you? How many members are there in your immediate family? The members of my immediate family always support each other. Doing a lot of things together strengthens our immediate family.

tight-knit (*дружный*) — Our family is happy and tight-knit. It is great to grow up in a tight-knit family. What makes your family tight-knit? If parents spent more time with their children their family would be happier and tight-knit.

appreciate (*ценить, оценивать*) — I appreciate everything my parents have done for me. What do you appreciate most about your family? I appreciate my friend's help. We all appreciate our holidays after hard working days.

pass away (*скончаться*) — My grandmother passed away some years ago. Last year we got the news that famous designer Pierre Cardin had passed away. Many tourists passed away as a result of a plane crash.

sibling (*родной брат, сестра*) — Siblings are people who we are stuck with for life whether we like it or not. Our siblings know us better and love us unconditionally. Is it better to be the only children the family or to have a sibling? Do you often fall out with your siblings? How do you get on with your siblings? My mother doesn't often visit siblings because they live far from our place. Loneliness is a problem because you have no siblings to share your thoughts, dreams, impressions.

boyhood (*отрочество, детство*) — My father brought home films of his boyhood trip down the river to the South. I haven't seen Martin since boyhood. He had a fund of stories about his boyhood. Steven grew from boyhood to manhood in a small southern town.

Суффикс употребляется для образования производных существительных, обозначающих состояние человека, связанное с его возрастом, социальными отношениями, иногда деятельностью, или группу людей, объединенных этим состоянием.

noun + hood = noun

likely + -hood = likelihood (*вероятность*)

neighbour + -hood = neighbourhood
