

In our last three adventures, we tried to save our crazy principal from disaster. He thought he was a real superhero — but he wasn't!

We didn't think things could get any worse — but they did!

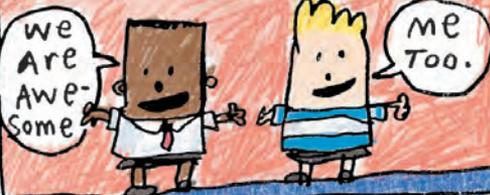

THE TOP-SECRET TRUTH

ALL New

ABOUT CAPTAIN UNDERPANTS

Once upon a time there were two cool kids named George and Harold.

They had a mean old principle named Mr. Krupp.

Mr. Krupp was very mean to George and Harold.

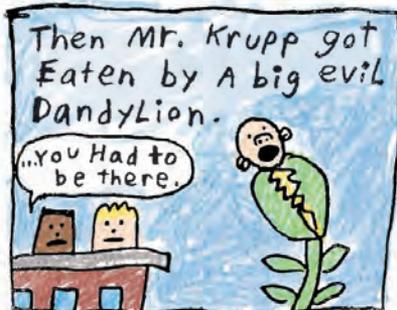

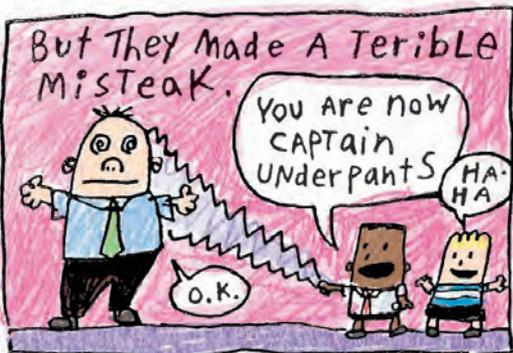

So they bought the 3-D Hypno Ring.

They used it to hypnotise Mr. Krupp.

Then he got super powers!

Now Captain Underpants Has Amazing strength He can even **FLY** too.

The only way George And Harold can Stop Captain Underpants From causing trouble Is by Poring water on His head...

... This makes him Turn back into Mr. Krupp.

But Beware: Because whenever Mr. Krupp Hears somebody Snap there Fingers...

... He turns back Into "You-know-who".

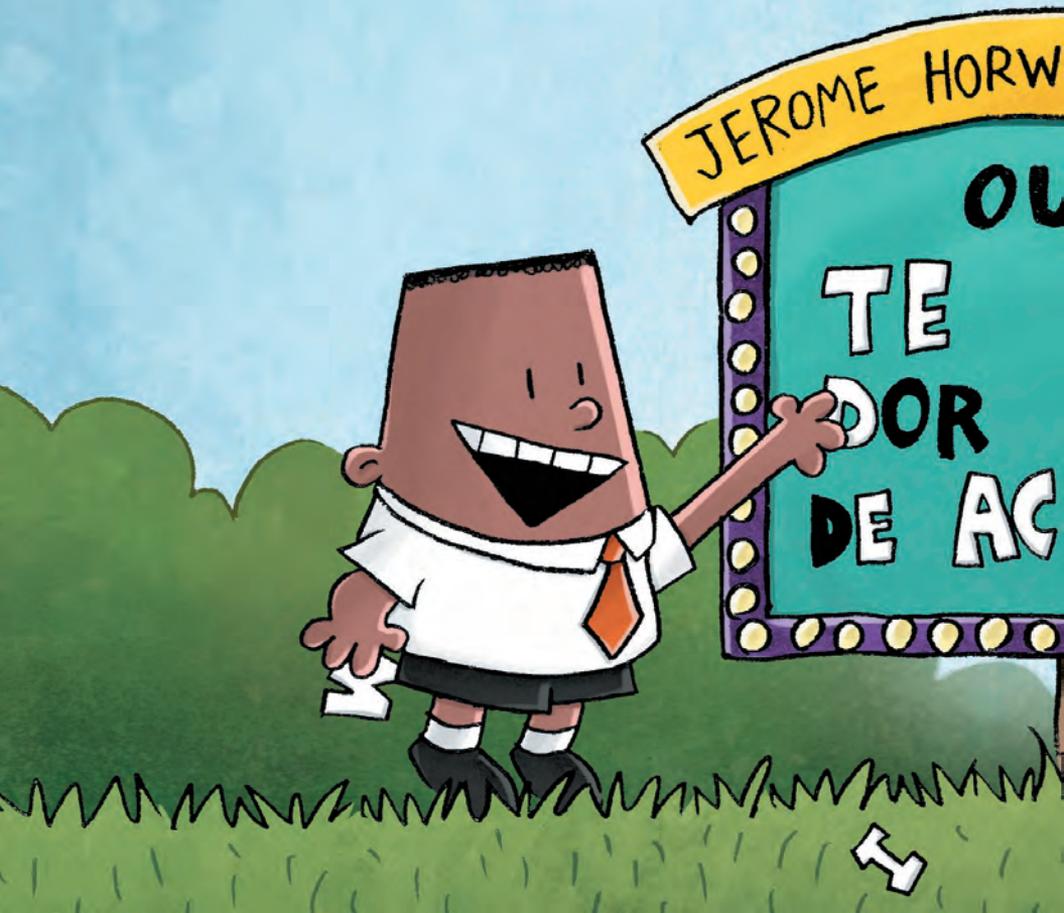

CHAPTER 1

GEORGE AND HAROLD

This is George Beard and Harold Hutchins. George is the kid on the left with the tie and the flat-top. Harold is the one on the right with the T-shirt and the bad haircut. Remember that now.

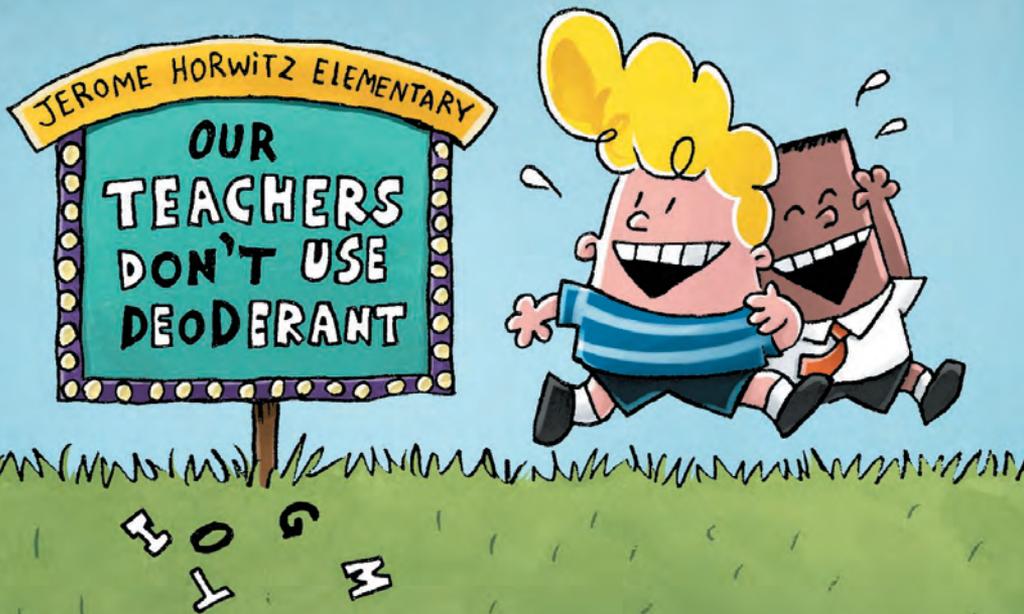

All of the “experts” at Jerome Horwitz Elementary School had their opinions about George and Harold. Their guidance counselor, Mr. Rected, thought the boys suffered from A.D.D. The school psychologist, Miss Labler, diagnosed them with A.D.H.D. And their mean old principal, Mr. Krupp, thought they were just plain old *B.A.D.*!

But if you ask me, George and Harold simply suffered from I.B.S.S. (Incredibly Boring School Syndrome).

You see, George and Harold weren't really bad kids. They were actually very bright, good-natured boys. Their only problem was that they were bored in school. So they took it upon themselves to "liven things up" for everybody. Wasn't that thoughtful of them?

Unfortunately, George and Harold's *thoughtfulness* got them into trouble every now and then. Sometimes it got them into a *LOT* of trouble. And one time it got them into *so much* trouble, it almost caused the entire planet to be taken over by a ruthless, maniacal, mad-scientist guy in a giant robot suit!

But before I can tell you that story, I have to tell you *this* story. . .
